## President's Report

We achieved some amazing results in 2020-21 at Girraween Little Athletics

The season was interrupted by COVID-19 with registrations capped at 380 athletes to ensure we adhered to government regulations. It is a credit to our wider committee, ensuring our season ran smoothly with all the hurdles thrown at us. Each and every member of the executive and general committee have volunteered significant amounts of their time. I thank each of you for your outstanding efforts.

This season we welcomed a new sponsor and uniform supplier Sports Magic. Their support and contribution to our Centre is appreciated.

Unfortunately, the season was interrupted with many normal carnivals not held including zone and region championships plus Holroyd Shield. We weren't able to retain the Mid-West Metropolitan Zone Garth Robinson Intercentre Shield but pushed the host Centre in Fairfield to within half a point.

A brief summary of the raw statistics of our season shows that at Girraween Little Athletics there were:

- 22 weeks of competition
- 23 athletes attended every week
- 30 athletes qualified through to the pinnacle of our season, the State Championships at Homebush – 6 more than last season
- Our members set a combined 6,159 new or equal personal bests

The above statistics are a credit to our dedicated coaching team that volunteer their time each week, helping to improve the skills of our athletes.

## Secretary's Report

It was once again a great year to be part of Girraween Little Athletics. Although we did encounter many challenges due to covid restrictions the year was a success.

I would like to thank everyone who is part of the Girraween Little Athletics community for following all of our covid guidelines. We were faced with number restrictions and I'm happy to say our members took this in their stride by not inviting extra family members or friends.

It was wonderful seeing returning athletes and a lot of new faces. We have a broad range of athletes attending our Centre. Those who come for fun and those who come for competition. I'm happy to say whatever your ability your welcome at Girraween.

Lastly, I would like to thank our many volunteers. I would also like to acknowledge all the committee members who volunteer their time and work many unacknowledged hours to ensure everything runs smoothly at Girraween.

Alison O'Brien

## **Coach's Report**

This season we experienced some new challenges with restrictions due to Covid 19 forcing some changes to the way we run coaching sessions. I thank everyone from athletes to parents and coaches for working with us to ensure that we were still able to run training sessions to help improve our athletes.

It was great to see some of our older athletes offering to help with training the junior athletes. They are a great inspiration to the younger athletes and it is with hope that they will continue to show an interest in coaching in the future.

With the number of changes throughout the season and the cancellation of a number of carnivals it was exciting to see that we managed to still have 30 athletes qualify for the state championships, the most we have ever had.

Thank you to all the coaches who gave up their time to come and train our athletes throughout the season. Without your dedication we wouldn't be able to offer training in the events that we do. However, we are still unable to offer specific training in all events due to limited coaching staff. We are always in need of more coaches. If anyone is interested in helping to coach next season, please speak to one of the coaches or a committee member. Our current coaches are always happy to pass on their knowledge and experience to anybody interested in learning.

Most of all, thank you to the athletes who arrive ready to learn and improve. Your hard work and dedication show through the many PB's accomplished each week.

Throughout the winter season we are offering cross country training on Monday nights at 6pm. This is a great way to keep fit and work on endurance ready for next season. Hope to see many of our athletes there.
