## President's Report

It has been a busy 2022/23 season at Girraween Little Athletics.

This was a season of celebration as we came into our 50<sup>th</sup> season. What a milestone and great achievement by all of our past and present members and committees.

This saw us host a 50<sup>th</sup> birthday twilight Gala day, inviting all centres in the state to take part. We had members from many different clubs attend and a great day was had by all.

We were extremely lucky this season to not have many washed out nights. Even with an extended break over Christmas and New Year we managed to get 21 competition nights in.

These nights would not be able to run without the support and countless hours put in by the committee members each week as well as the support of the members who volunteer with age managing, coaching, starting, helping on the tracks, recording, canteen, bbq and the many other roles that need to be filled each week for the competition to go ahead.

I would like to welcome our new sponsor McGrath and returning sponsors ActiveWest Physiotherapy, All Hills Fencing and Sports Magic. Their support and contribution to our centre is greatly appreciated.

Due to circumstances beyond their control, this season saw Everley Park come along and join in our competition nights. It was a pleasure to have them participate with us and I hope they enjoyed their time here and many new friendships have been formed.

Well done to all athletes that competed in the Midwest Metropolitan Zone Garth Robinson Intercentre challenge. We were able to win and retain the shield for another season.

We saw the return of the Holroyd Shield after being put on hold due to Covid over the last couple of seasons. Thank you to all who participated and helped us to win the shield once again.

Congratulations to the 39 Athletes who qualified through to the State Championships at Sydney Olympic Park, a record number for the club.

To end our season we held our 50<sup>th</sup> birthday dinner at the Hudson Hotel and event centre. It was a night of celebration and reminiscing and was enjoyed by all. It was a pleasure and honour to meet past committee members, presidents and life members that have played a vital part in shaping the centre into what it is today. Thank you to all who attended the night.

The club continues to be in a strong financial position thanks to the hard work of the committee and helpers.

We have taken on board feedback from the membership relating to the availability of uniforms, the result of which we are reverting to maintaining stock of uniforms at the club and selling these ourselves. The result is we have bought back the stock holding that Sports Magic had this season, resulting in a significant outlay. We also had to buy back old uniform stock because of the special 50<sup>th</sup> Anniversary uniforms.

The canteen has been very successful this season, with sales returning to pre-Covid levels which has contributed significantly to the bottom line. Thank you to Belinda, Karen and the volunteers helping with the canteen week after week.

The 50<sup>th</sup> Anniversary Event was a one-off event, celebrating 50 years of the club. My thanks to the sub-committee who organised the event, it was a fun evening for all who attended.

Finally, my thanks to our new and returning sponsors for their continued support. Their support is invaluable in helping us to maintain the club and its equipment.

## **Secretary's Report**

It's been a season of outstanding achievements for many athletes, with some stand out performances by many athletes breaking club records.

For me, the enjoyment of athletics by our athletes is the best part of a Friday comp night; kids having fun, trying their best and encouraging each other. The sportsmanship, comradery and growing friendships amongst all Girraween athletes is beautiful to watch.

I have enjoyed coaching the race walkers again this season. 14 Walkers who progressed to State was certainly a wonderful achievement for our club.

I'd like to thank our incredibly hard working Committee for all the time and energy they give to keep our club, canteen and equipment running. Also thank you to our parent volunteers who help out every Friday to assist with the running of the night.

Lastly, I have enjoyed my six years as a committee member, in my roles of Officials Officer, Registrar Assistant, Minute Secretary and Secretary, but I will be stepping down this year. I'm sure I'll still be around for many years to come coaching and helping on a Friday night.

**Alissa Byatt**

## **Coach's Report**

The 2022 -2023 saw the introduction of training shirts for our athletes, everyone looked awesome on training nights. Our training shirts are also a great way to celebrate all of our sponsors who support us to make our club what it is.

Many thanks to all of our coaches who have freely given up their time to run training sessions and without their support we would be unable to continue to offer training. Our athletes have a big variance in skills; everything from the beginner through to those who are more advanced and ideally we would like to be able to separate these groups to provide an optimal training experience for all athletes. In order to do so we need assistance from volunteers to achieve this goal; as a parent you are at the ground while your child trains anyway so please offer up some time to assist our club. No experience is necessary as our more experienced coaches are more than happy to pass on their tips, tricks and expertise. Graduating athletes are more than welcome to assist us with coaching as well. Please speak to any of our coaches or committee for more information.

Training has started for Cross country and all of our athletes are welcome to come along and keep up their fitness levels, we hope to see you there on Monday nights at 6pm.

Our athlete's enthusiasm for training each week and a desire to improve throughout the season is something that we as coaches really like to see. It was wonderful to see so many instances of this throughout our training sessions. It was also really great to see so many smiles and laughs from the athletes but also the coaches as well.

I look forward to many more successes in the future.

**Joe Farrugia**

## Championship's Report

Firstly, I would like to extend my heartfelt congratulations and sincere thanks to all the athletes, volunteers, and parents who helped make our 50th Anniversary year an unforgettable and successful season. The Girraween athletes kicked off the season on a high note by winning both the Holroyd Shield and Garth Robinson inter-club events.

### Holroyd Shield

This year's Holroyd Shield Competition was held on September 25th, 2022, at the Gipps Road sporting complex in Greystanes. It was a true team effort, with athletes from all age groups participating in all events, and our captains and coaches doing an excellent job of warming up the team and fostering camaraderie. Thanks to everyone's hard work, we were able to win the shield this season.

### Garth Robinson Inter-Centre Competition

Everley Park hosted this year's Garth Robinson Inter-Centre Competition at C.V. Kelly on October 16th, 2022. Once again, Girraween LAC athletes shone, winning first place by scoring 842 points. Our club claimed the top spot in 7 out of 9 age groups in Girls and 4 out of 9 age groups in Boys, which is a remarkable achievement.

## ***CENTRE MERIT AWARDS***

Athletes receive a point for each event they compete in and an extra point for a personal best performance in the weekly competitions and the Centre Championship. Points are also doubled after Christmas, except for the Centre Championship. Athletes can also receive up to 10 points for taking part in the Holroyd Shield and the Garth Robinson Inter centre challenge. To score well, athletes need to regularly attend the weekly competition, participate in as many of their events as possible, perform consistently and take part in the Centre-supported carnivals. Athletes who gain over 50 points throughout the season are eligible for a placing in the centre merit awards.
